Located on one of the world's largest natural harbours, Halifax is Atlantic Canada's largest city with a quintessential maritime feel. A vibrant seacoast city wrapped in history and nature; Halifax is conveniently linked to major destinations around the world through the award-winning Halifax Stanfield International Airport. It is geographically closer to Boston and New York than any other Canadian city, and over one hour closer by plane to Europe than any other major North American city.

The Halifax Convention Centre is situated in the heart of downtown Halifax, just steps from the ocean. The newly opened state-of-the-art facility has 120,000 square feet of flexible event space, features a bright and iconic atrium arrival area, and natural light throughout most of the facility. Delegates will experience warm East Coast hospitality and find the best local dining, and fantastic arts and culture, all within an easy stroll from the centre's doorstep.

**We look forward to welcoming  
you to Halifax in 2020!**
